

# EGYPT COMBAT MI

Heart Attack 2011 / 5<sup>th</sup> Acute Cardiac Care Course

in Collaboration

SCAI (Society of Cardiovascular Angiography & Interventions), USA

LUMEN (Symposium for Optimal Treatment of MI), Miami, USA

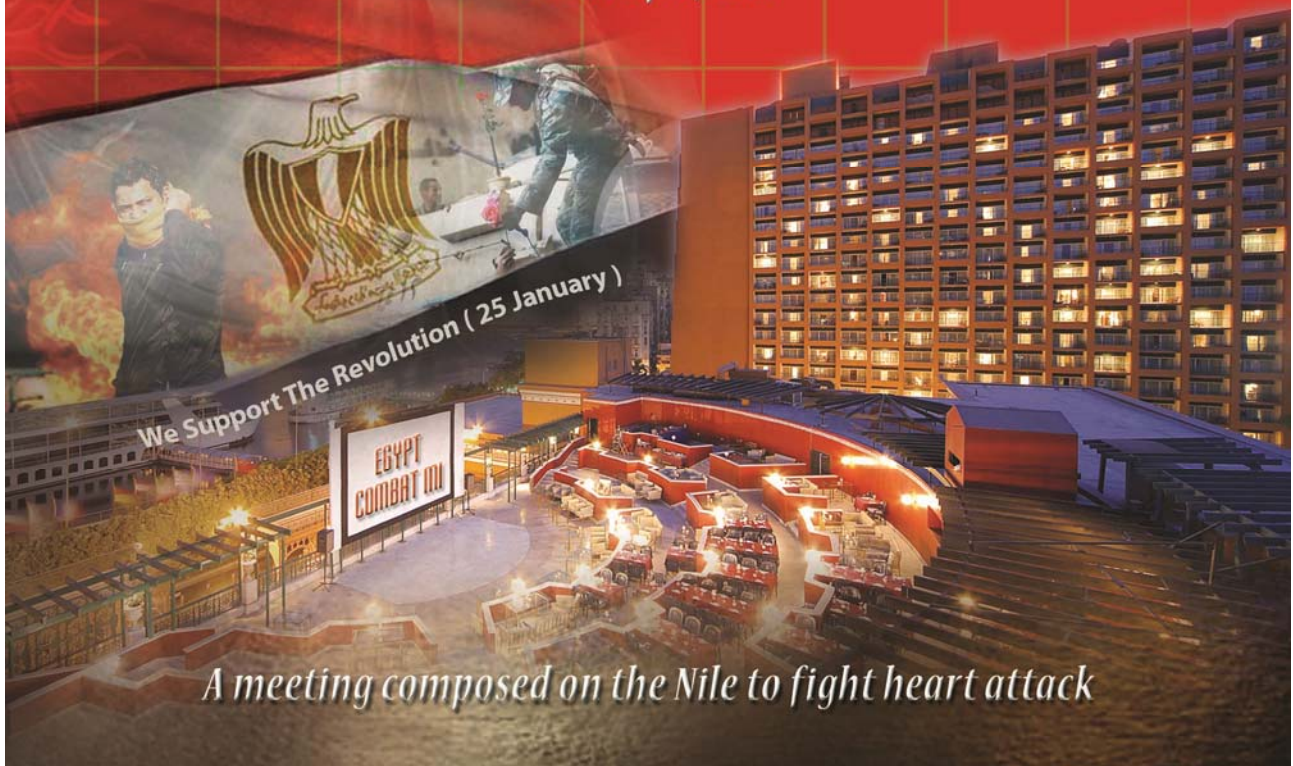

American Heart Association CPR & Emergency Training Program

Swedish WG of Interventional Cardiology

Egypt Heart Society

Marriott, Cairo, Egypt

20 - 21 April, 2011

*A meeting composed on the Nile to fight heart attack*

# Wednesday, 20<sup>th</sup>, April 2011

**9:00-10:00**

## ACS Case Scenarios

(10 minutes for each case followed by 2 minutes discussion)

### Referees:

Amr H Mostafa                      Jose Diaz (Spain)      Maged El-Abbady

Mohamed Zaki      Magdi El-Omar (UK)      Sameh Shahin

---

9:00-9:15                      Case "1"                      *Ghada Kazamel*

---

9:15 – 9:30                      Case "2"                      *Wael AbouShokka*

---

9:30-9:45                      Case "3"                      *Maged Ramses*

---

9:45-10:00                      Case 4                      *Ahmed Shawky*

---

**10:00-11:30**

## *Acute Cardiac Emergencies/ Resuscitation Science in Collaboration with AHA*

### Chairpersons:

Amir Abdel Wahab

Wagdy Galal

Hiam El Damanhoury

Mohamed Ossama

Khairy Abdel Dayem

Samia El-Kady

---

10:00-10:20      Acute Heart Failure in 2011                      *Sherif Mokhtar*

---

10:20-10:35      Resistant ventricular arrhythmias in MI                      *Said Khaled*

---

10:35-10:50      Acute complications of pacing, identification and management                      *Hassan Khaled*

---

10:50-11:10      Update: the AHA 2010 Resuscitation Guidelines                      *Shereen Ali*

---

11:10-11:25      Sudden cardiac death, case scenarios                      *Gamal Shaban*

---

11:25-11:30      Discussion

---

# Wednesday, 20<sup>th</sup>, April 2011

11:30-12:30

## *New Frontiers in Pharmacologic Intervention (session II)*

### Chairpersons:

Abdel Moniem Ibrahim    Ahmed Abdel Rahman    Dia AbouSokka  
Mohamed Eid Fawzy    Mohamed Amin    Yasser Boghdadi

---

|              |   |                       |
|--------------|---|-----------------------|
| 11:30-11:50  | Aggressive lipid lowering in ACS  | <i>Mohsen Ibrahim</i> |
| 11:50-12:05  | Enoxaparin in the cath lab  | <i>Sameh Shahin</i>   |
| 12:05-12:20  | Fondaparinux – a new standard in ACS Practical experience               | <i>Ahmed Magdy</i>    |
| 12:20 -12:35 | Pharmacological and interventional approaches to reduce bleeding in ACS | <i>Jose Diaz</i>      |
| 12:35-12: 50 | New Anti Thrombotics for ACS  | <i>Hossam kandil</i>  |

---

## *12:50-13:15 Coffee Break*

13:15 – 14:15

## *New Frontiers in Pharmacologic Intervention (session I)*

### Chairpersons:

Ahmed Abdel Moneim    Ayman AboulMagd    Hany Abdel- Razik  
Nabil Gobran    Tarek A Ghafar    Tarek Naguib

---

|               |   |                     |
|---------------|---|---------------------|
| 13:15- 13:30  | Clopidogrel dilemma, dosing, duration, interaction and responsiveness | <i>Sameh Salama</i> |
| 13:30- 13: 45 | New anti- platelets   | <i>Sameh Shahin</i> |

---

|               |   |                    |
|---------------|---|--------------------|
| 13:45 – 14:00 | Glycoprotein IIb/IIIa in PCI for whom? for how long? How early? | <i>Basem Zarif</i> |
| 14:00-14:15   | Stent thrombosis, a subset of MI                                | <i>Jose Diaz</i>   |

## Wednesday, 20<sup>th</sup>, April 2011

**14:15-15:15**

### *Alliance/Networks for MI*

Chairpersons:

Adel Zaki

Charl Boshra

Sameh Allam

Raouf Mahran

|             |  |                          |
|-------------|--|--------------------------|
| 14:15-14:30 | Pre-hospital management of MI                                | <i>Mohamed Seleem</i>    |
| 14:30-14:45 | 24/7 Primary PCI, in practical terms                         | <i>Magdy ElOmar</i>      |
| 14:45-15:00 | Strategies to reduce Infarct size during reperfusion therapy | <i>Magdy Abdel Hamid</i> |
| 15:00-15:15 | <i>Primary PCI registry in Ain Shams University</i>          | <i>Ayman Saleh</i>       |
| 15:15-15:30 |  |                          |

## Wednesday, 20<sup>th</sup>, April 2011

**15:30 - 17:30**

### *My Approach, Complex PCI (Expert Session)*

Chairpersons:

Ashraf Ahmed

Ahmed El-Ghaleed

Nereen Okasha

Tarek Zaki

|             |             |                      |
|-------------|-------------|----------------------|
| 15:30-15:50 | Case review | <i>Jose Diaz</i>     |
| 15:50-16:10 | Case Review | <i>Magdi El-Omar</i> |

|             |                  |                  |
|-------------|------------------|------------------|
| 16:15-16:30 | Complex Case "1" | Osama Refaei     |
| 16:30-16:45 | Complex Case "2" | Ahmed Abdel Aziz |
| 16:45-17:00 | Complex Case "4" | Khaled Shokry    |
| 17:00-17:15 | Complex Case "5" | Sayed Abdu       |
| 17:15-17:30 | Complex Case "6" | Mohamed Mandour  |

**17:30**

## Adjourn & Lunch

Thursday, 21<sup>st</sup>, April 2011

**9:00-10:00**

### ACS Case Scenarios

(10 minutes for each case followed by 2 minutes discussion)

**Referees:**

|                   |                  |                           |
|-------------------|------------------|---------------------------|
| <b>Amin Fouad</b> | Ahmed El-Ghaleed | Ahmed Yehia               |
| Mohamed ElBaz     | Sameer Mehta     |                           |
| 9:00-9:15         | Case "1"         | Hossam Beshr (Military)   |
| 9:15 – 9:30       | Case "2"         | Mohamed Helmy             |
| 9:30-9:45         | Case "3"         | Hussein Kamal             |
| 9:45-10:00        | Case 4           | Nereen Okasha (Ein Shams) |

**10:00-11:00**

### Detection of High Risk Patients, Lesions

**Chairpersons:**

|                      |  |                   |
|----------------------|--|-------------------|
| Islam Shawky         | Gamela Mohamed Nasr  | Laila Shalaby-    |
| <b>Mokhtar Gomaa</b> | <b>Wael El Nagar</b>   |                   |
| 10:00-10:15          | The value of Echocardiography in Chest Pain, case discussion | Mohamed Usama     |
| 10:15-10:30          | Management of residual risk in atherogenic dyslipidemia      | Ashraf Reda       |
| 10:30-10:45          | Vulnerable or viable myocardium                              | Adel Allam        |
| 10:45-11:00          | MI in women  | Allia Abdel Fatah |

# Thursday, 21<sup>st</sup>, April 2011

**11:00-12:00**

**Debates: CAD - Dilemmas and Controversies**  
(10 minutes presentation, 5 minutes rebuttal)

**Chairpersons:**

|                  |               |                   |
|------------------|---------------|-------------------|
| Diaa El-Menshawi | Hossam Hassan | Khaled El-Meniawy |
| Kamal Mansour    | Nasser Taha   |                   |

The window for fibrinolysis. The window for primary PCI.

- |   |                            |                     |
|---|----------------------------|---------------------|
| 1) We should transfer all MI patients for 1ry PCI             |                            | Mohamed Abdel Ghani |
| 15:00 – 15:15   | Pro, yes we should         |                     |
| 15:15 – 15:30   | No, only selected patients | Amr Hassan          |
| 2) Chronic Stable Angina should not be managed conservatively |                            |                     |
| 16:00-16:15   | Invasive approach          | Ahmed Magdy         |
| 16:15-16:30   | Conservative approach      | Wafaeie AbouEinene  |

**12:00-12:20 Coffee Break**

**12:30-13:30**

**Merits and Challenges in Coronary Stenting**

**Chairpersons:**

|                 |                    |                 |
|-----------------|--------------------|-----------------|
| Ezz El-Sawi     | Khairy Abdel Dayem | Medhat ElAsmawy |
| Sherif El-Tobgy | Soliman Gharib     |                 |

---

|                    |   |                       |
|--------------------|---|-----------------------|
| <b>12:30-12:45</b> | Case presentation (sponsored by <b>Cordis</b> ) | <i>Ahmed Khashaba</i> |
| <b>12:45-13:00</b> | Case presentation (sponsored by <b>Cordis</b> ) | <i>Nabil farag</i>    |
| <b>13:00-13:20</b> | ATLANTA Studies and future directions           | <i>Ahmed Magdy</i>    |
| <b>13:20-13:30</b> | <i>Discussion</i>                               |                       |

---

Thursday, 21<sup>st</sup>, April 2011

13:30-14:45

*Challenges, Specific Issues in MI/ACS intervention*

Chairpersons:

Adel Imam

Khaled Sorour

Mohamed Zaki

Osama Sanad

Ramzy El Mawardy

Yehia Keshk

|             |   |               |
|-------------|---|---------------|
| 13:30-13:45 | Tips and tricks in primary PCI  | Sameer Mehta  |
| 13:45-14:00 | Coronary intervention post pre-hospital thrombolysis: When? For whom? | Nabil Farag   |
| 14:00-14:15 | BMS VS DES in MI current state  | Magdy El-Omar |
| 14:15-14:30 | Late clinical trials in MI  | Taher Elkady  |
| 14:30-14:45 | Discussion  |               |

14:45-15:00 Break

Thursday, 21<sup>st</sup>, April 2011

14:45-15:45

**How would I treat? (Session II)**

*Difficult Patients/Situations: Clinical Dilemmas*

Chairpersons:

Alaa Hataba

Ahmed Zaghlol

Ekram Sadek

Hossam Hassan

Mahmoud Hassanein

Mohamed Orabi

|             |   |                          |
|-------------|---|--------------------------|
| 14:45-15:00 | Thrombus management in MI current status                        | <i>Sameer Mehta</i>      |
| 15:00-15:15 | Hemodynamic support during high risk PCI                        | <i>Ahmed Khashaba</i>    |
| 15:15-15:30 | Distal Left main bifurcation – strategies for achieving success | <i>Jose Diaz</i>         |
| 15:30-15:45 | Management of resistant angina with no intervention option      | <i>Hesham AboulEinen</i> |

Thursday, 21<sup>st</sup>, April 2011

15:45-18:00

*High-Risk Clinical & Angiographic Scenarios in ACS  
(Expert session)*

Chairpersons:

Ashraf Ahmed

Sameh Imel

Hamdy Soliman

Tarek Zaki

Magdy El- Khadem

Ahmed Boghdadi

|             |                  |                       |
|-------------|------------------|-----------------------|
| 15:45-16:05 | Case review      | <i>Sameer Mehta</i>   |
| 16:05-16:25 | Case Review      | <i>Amr Zaki</i>       |
| 16:25-16:40 | Complex Case "1" | <i>Hesham Hegazy</i>  |
| 16:40-16:55 | Complex Case "2" | <i>Mohamed Seteha</i> |
| 16:55-17:10 | Complex Case "3" | <i>AlSayed Farag</i>  |
| 17:10-17:25 | Complex Case "4" | <i>Tarek ElKholy</i>  |
| 17:25-17:40 | Complex Case "5" |                       |

17:40-18:00

*Conference Conclusion*

*Adjourn*

## Dinner by Invitation

See you in COMBATMI (Heart Attack 2012/ 6<sup>th</sup> Acute Cardiac Care  
Course)  
March 2012
